#### 4 Do you look up team news to see who will be starting games?

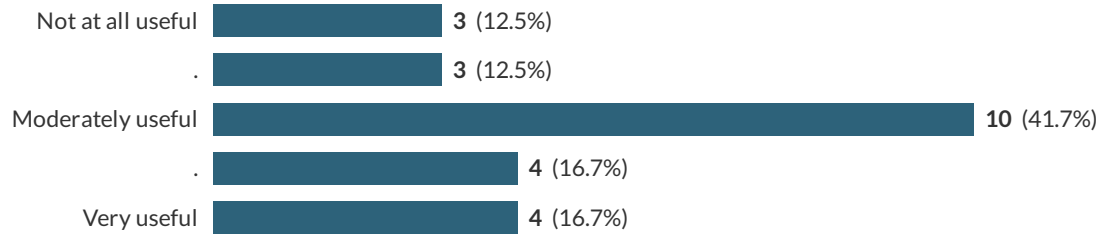

#### 5 Which of the following features do you see as the most important/useful outside of the ones offered by the official app/website?

##### 5.1 1. This weeks fixtures

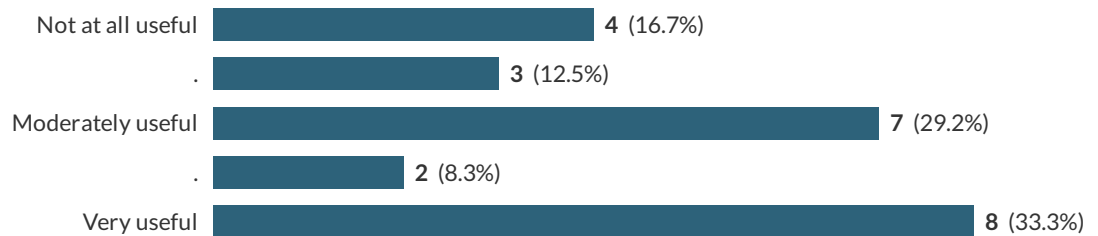

##### 5.2 2. Starting line-up predictor for each game

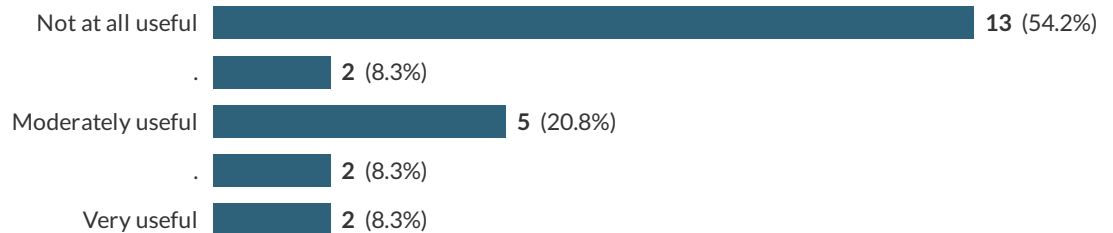

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

### 5.3 3. Player comparison tool

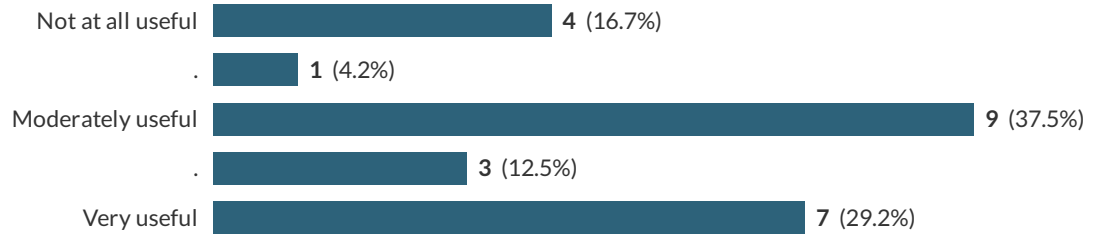

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

### 5.4 4. Blog/Articles

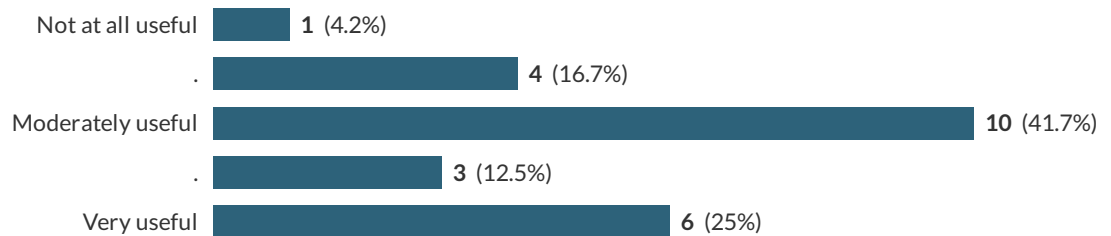

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

### 5.5 5. Best FPL team this week predictor (team that would get the most points)

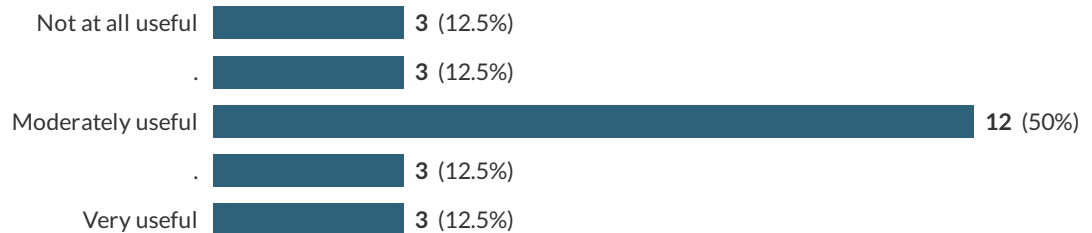

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 5.6 6. Your live rank/points

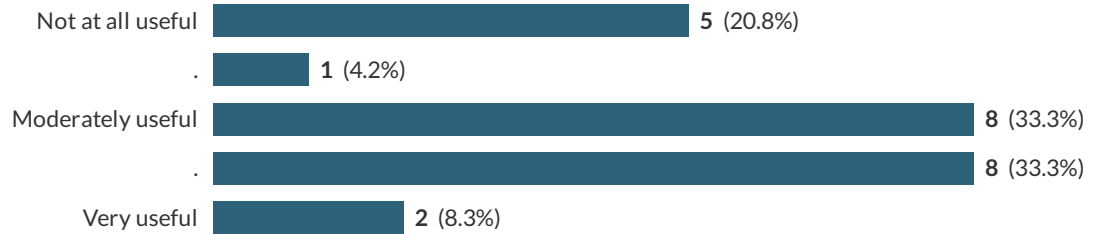

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 5.7 7. Predicted players price risers/drop

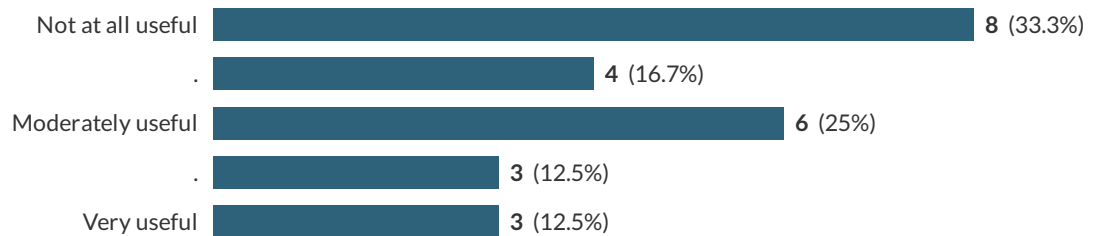

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 5.8 8. Tool to analyzes your team and predict its score this week

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

5.9 9. Show how you compare to the top 1000 managers (opposed to average rank of all players)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

5.a Other:

No responses

6 Would putting in your email address put you off using an FPL assistant app?

7 Would a paywall put you off using a FPL assistant app?

## 8 What's the biggest problem you face in assembling a successful team?

Trying to pick between 2 players	679936-679927-69848774

## 9 When choosing a GK transfer which of the following aspects do you look at? (choose all that apply)

### 9.1 1. Team they play for

tick box  15 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 9.2 2. Number of saves

tick box  7 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 9.3 3. Total number of clean sheets

tick box  18 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 9.4 4. Most recent results (last 3)

tick box  10 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 9.5 5. Next 3 fixtures

tick box  17 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

## 9.6 6. Average number of saves a game

tick box  1 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

---

9.7 7. Total number of minutes played (past 3 gws)

tick box  6 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

---

9.8 8. Number of minutes played in previous week (last 1 gw)

tick box  4 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

---

9.9 9. Number of penalty saves

tick box  2 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

---

9.10 10. Number of assists

tick box | 0

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

---

9.11 11. Number of goals scored

tick box | 0

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

#### 9.12 12. Availability (Fully fit, injured, suspended)

tick box  12 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

#### 9.13 13. Number of cards (yellow, red)

tick box | 0

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

#### 9.14 14. Total number of points

tick box  17 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

#### 9.15 15. Last 3 gw points

tick box  12 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

#### 9.16 16. Last weeks gw points

tick box  6 (100%)

*Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)*

#### 9.a Other:
